

ROUSH®

Focused. Driven. Committed.

Roush Industries Job Posting August 18, 2010 – September 7, 2010 Alternate Fuel Field Service Engineer

Roush supplies comprehensive, integrated development services and provides customers with support that fuses technology and engineering. From design through prototyping, testing and manufacturing, we take our customers' visions from the sketch pad to production. We're focused, efficient, and we deliver. With over 2000 employees in more than 40 facilities across the United States, and interests around the world, Roush solves customers' problems and provides significant support to the automotive, performance products, military, entertainment, life sciences, alternative fuels and consumer products industries.

We are focused on performance, driven by technology, and committed to our customers' success. If you're only happy when your customers are happy, we want you on our team.

Your Role:

Roush has an immediate need for an Alternate Fuel Field Service Engineer with a solid mechanical background and who will work on assignments that are moderately complex in nature where judgment is required in resolving problems and making routine recommendations. The position is located in Livonia, Michigan.

Requirements:

- Minimum 5+ years of experience in the automotive field
- Associate's or other technology degree in related field is preferred
- Willing to travel up to 50-75% (generally limited to weekdays), throughout the US
- Previous experience troubleshooting engine controls and diagnostics systems
- Experience with propane and/or CNG is preferred
- Experience with OBD scan tools is required. Familiarity with ETAS INCA or ATI Vision tools is preferred
- Experience with instrumentation and data collection
- Proficient computer skills and ability to prepare written technical reports
- Excellent verbal and written communication skills
- Demonstrated ability to interact professionally with all levels of employees and with customers
- A leadership background is desirable
- Must have valid drivers license and clean driving record
