

Roush Job Posting
March 5, 2010 – March 15, 2010

Vehicle Evaluators / Test drivers – Temporary positions

A full-service engineering supplier headquartered in the Detroit suburb of Livonia, Michigan, Roush has over 2000 employees in more than 40 facilities across the United States and interests around the world. Widely recognized for providing engineering, testing, prototype development, and manufacturing services to the transportation industry, Roush also provides significant support to the automotive aftermarket, electronics, consumer product, and motorsports industries.

We are focused on performance, driven by technology, and committed to success ... YOUR SUCCESS!

Yes, we love our cars, but our people drive us to the forefront of industry.

Needed: Weekend, Day, and Afternoon Drivers to test and evaluate new cars. This is a temporary position expected to last around 2 weeks.

Vehicle Evaluators / Test Drivers

AM shift - 5:00 AM - 1:30 PM

PM shift - 4:00 PM - 12:30 AM

Note: May require occasional overtime due to traffic conditions.

Vehicle Evaluator \$13.00 dollars an hour

Product Evaluators needed to test drive new and prototype cars and provide opinions regarding vehicle function, comfort, and performance. Candidates must be responsible individuals with clean driving records, no moving violations within the

last year and no at-fault accidents within the last 18 months. No automotive experience is required to be a vehicle evaluator and we encourage women and men to apply. Driver/Evaluators will be assigned to drive prototype vehicles on public roads during an 8 hour shift. You will drive on a predetermined route and execute specific test procedures. At the end of the shift you will fill in evaluation and incident report forms regarding vehicle function. You must be able to write clear and concise reports about what you experience and explain your perception of vehicle performance, function, and comfort. **Since these evaluators are part of a market study it is required we use people that fit a certain demographic profile, which includes people between the ages of between the ages of 20 and 35 years old only.**

Job Description:

- Drive vehicles in small groups on designated routes.
- Test vehicle features and systems and provide feedback relating to vehicle performance/issues.
- **Positions based in Irvine, CA.**

Successful candidate will:

- Have excellent driving record.
- Must be able to drive manual transmission vehicles.
- Have good attention to detail.
- Be able and ready to complete all tasks assigned.
- Be a self-starter, self-motivated and willing to learn.
- Have strong verbal and written communication skills.
- Have the ability to drive for extended periods of time.

You must refer to this posting to be considered.
