

Doug Smith – Biography

Doug E. Smith is President and Chief Operating Officer of Roush Industries, Inc. In this capacity, Mr. Smith is responsible for overseeing the company's engineering and administrative functions. Mr. Smith has served on Roush's Board of Directors since 1995, and was appointed President and COO in 2000.

Mr. Smith's career at Roush spans more than 22 years. He joined Engine & Control Systems, Inc., (ECS) a predecessor of today's Roush Industries, in 1981, as manager of the company's emission laboratories. When ECS, Roush Racing, and Jack Roush Performance Engineering merged in 1991 to become Roush Industries, Inc., Mr. Smith became Vice-President of Engineering and was appointed to the Executive Committee. He became Executive Vice-President in 1995.

A native of Ypsilanti, Michigan, Mr. Smith attended the University of Michigan, where he was awarded a Bachelor of Science degree in Engineering in 1977, and a Master of Science degree in Mechanical Engineering in 1980. He began his professional career as a Product Engineer for Chrysler.

Mr. Smith has been a member of the Society of Automotive Engineers (SAE) since 1980, and is a licensed Professional Engineer. Mr. Smith, his wife, and their two daughters reside in Dexter, Michigan.
